<p style="text-align: center;">Infrared Remote Control</p> <p style="text-align: center;">Product instruction manual</p> 	<p>Product description</p> <p>Infrared remote control supports the control of infrared remote control equipment, combined with other equipment to design, intelligent application scenarios</p>  	<p>preparation for use</p> <p>1. Connect the device to the power supply while ensuring that the phone is connected to the 2.4ghz band to the wi-fi network</p>	<p>preparation for use</p> <p>2. Download and open the App In the App Store,search fo"Smart Life" or scan the QR code on the package/manual to download and install the smart App. If you are downloading this App for the first time , please tap the "Register" button to register your account;if you already have an account, click the "Login"button.</p> 	<p>Network settings</p> <ul style="list-style-type: none"> • Open the "my home" page of the Smart Life app, and click the "add button" in the upper right corner of the page. • In "add often" select"Infrared remote control" 												
<ul style="list-style-type: none"> • Press and hold the reset button for more than 5 seconds, until the network indicator light begins flashing.Follow the App instructions to add the device;  <ul style="list-style-type: none"> • Once the device has been successfully added, you will be able to find the device in the "My home"list. 	<p>Production specifications</p> <table border="1"> <tr> <td>Product name</td> <td>Infrared remote control</td> </tr> <tr> <td>Power specifications</td> <td>DC 5V/1A</td> </tr> <tr> <td>Carrier frequency</td> <td>38KHz</td> </tr> <tr> <td>Temperature detection range</td> <td>-10 C ~45 C</td> </tr> <tr> <td>Humidity detection range</td> <td>10%-90%RH(non-condensing)</td> </tr> <tr> <td>Wireless connection</td> <td>WiFi</td> </tr> </table>	Product name	Infrared remote control	Power specifications	DC 5V/1A	Carrier frequency	38KHz	Temperature detection range	-10 C ~45 C	Humidity detection range	10%-90%RH(non-condensing)	Wireless connection	WiFi	<p>Items not under Warranty</p> <ol style="list-style-type: none"> 1.Unauthorized repairs, misuse,collisions,negligence,abuse,exposure of the product to moisture or water, accidents, alterations,improper use of accessories,tearing or alteration of stickers or anti-counterfeiting marks; 2.The validity period of the warranty has passed; 3.Damage caused by force majeure 4.Damage or malfunction caused by problems other than the design,technology.manufacturing,quality of the product. 	<p>Packing List</p> <ul style="list-style-type: none"> • Infrared remote control x1 • Power adapter x1 • Power Cables x1 • Product specification x1 <p>_____</p> <p>Please read the instruction manual carefully before using the product</p>	
Product name	Infrared remote control															
Power specifications	DC 5V/1A															
Carrier frequency	38KHz															
Temperature detection range	-10 C ~45 C															
Humidity detection range	10%-90%RH(non-condensing)															
Wireless connection	WiFi
